08.11.21	Local Board Chairs Forum

### Ministry of Pacific Peoples - Education:

**Date:** 06.10.21

**Time:** 6pm

**Online platform:** Zoom

I have been fortunate enough to be invited to attend a talanoa hosted by the Ministry of Pacific Peoples. This talanoa was an opportunity for the Pasifika community leaders to ask questions around the changes in NCEA and the uncertainty around going back into the classrooms in parts of New Zealand who are in alert level 2.

### Torbay BID update:

**Date:** 12.10.21

**Time:** 3pm

**Online platform:** Zoom

This meeting was deferred to the following week as they did not meet quorum.

**Date:** 19.10.21

**Time:** 3pm

**Online platform:** Zoom

A new interim chair was appointed and quorum was met.

### Hibiscus Tuakana talanoa:

**Date:** 14.10.21

**Time:** 6.30pm

**Online platform:** Zoom

I was invited to attend this talanoa to hear some of the uncertainty our Pasifika community in the Local Board area have around the vaccine and some of the reasons why they received the vaccine. It was lovely to hear their stories, but also very disheartening to hear some of the judgment they have been facing due to the recent scares in the community.

**Date:** 21.10.21

**Time:** 6.30pm

**Online platform:** Zoom

I was invited to attend another talanoa along with the principles of Whangaparaoa College and Orewa College, and representatives from MOE and NZQA to discuss NCEA and the recent government renouncement of the return to schools for senior students. Parents had the opportunity to ask any questions and hear what actions the colleges have taken to keep students safe.

### Super Saturday Vaccination Drive:

**Date:** 16.10.21

**Location:** Hibiscus Coast Boating Club, Stanmore Bay. Orewa Service Station, Orewa  
It was awesome to see so many Coastie residents come out during Super Saturday to get their vaccination. Sara, John and Lisa from Future Whangaparaoa really stepped up and put together gift packs and ran a competition for members of the community who had received their vaccination that day. The packs were filled with all sorts of great goodies that were generously donated by local businesses. They were so good, we had a car full of young men drive up from Glenfield to get their hands on one of the goodie bags!

Happy to discuss any of the above
